## Staff Shelfie

This issue's staff shelfie is Marykaye from the Reference Department, and her pick for this issue is *Harry Potter and the Order of the Phoenix* by J.K. Rowling. Marykaye says, "Rowling will forever be my favorite author. The world she created helped give me confidence to create relationships that would forever change my own future. This book in particular shows the loyalty, sacrifice, and strengths that relationships play in our lives, especially for Harry. The relationships forged in this book magically set up the remainder of the series."
