Voting

Try At Home:

Set up a voting booth at your house. Use two of your child's stuffed animals as candidates. Help your child come up with ideas the candidates believe in. Use an old shoe box, or an oatmeal container with a slot cut in the top to collect ballots from the whole family. Talk to your child about why and how we vote.

We Rhymed:

I am different from my head to my toes. I am different from my eyes to my nose. I come from a place that is far and wide. A place where we mostly smile instead of cry. I am very different as you can see. And I love myself and my history!

We Sang:

The more we get together,
Together, together,
The more we get together the
happier we'll be,
For your friends are my
friends and my friends are
your friends,
The more we get together the
happier we'll be

Literacy Tip:

Counting is a part of literacy. Try putting cotton balls in different size containers. Have your child count how many cotton balls fit in each. Ask them why they think more fit in certain containers?
