"Libraries are a cornerstone of democracy – where information is free and equally available to everyone. People tend to take that for granted, and they don't realize what is at stake when that is put at risk."

— Carla Hayden, Librarian of Congress
(first woman and first African American in that position...ever)

The Book Nook

The Friends raise money through sales of used books, magazines, DVDs, CDs and puzzles at the Book Nook which is located just inside the library. You will be supporting the Friends and the library by donating items to, and shopping at, the Book Nook. The Book Nook is staffed by volunteers.

CFPL Is Now Fine Free!
