Section G - Programs and Content Recordings

LIBRARY PROGRAMS

Live Program Sessions

A live program session is any planned event which introduces the group attending to library services or which provides information to participants.

Program sessions may cover use of the library, library services, or library tours. Program sessions may also provide cultural, recreational, or educational information. Examples of these types of program sessions include, but are not limited to, film showings, lectures, story hours, literacy programs, citizenship classes, and book discussions.

INCLUDE

- All program sessions that are sponsored or co-sponsored by the library. For a program session to be sponsored or co-sponsored by the library, the library must contribute financial resources or staff time toward the program session. For a program session that is part of a larger community event (such as a farmer's market or festival), it is not necessary for the library to also sponsor or organize the larger event.
- Both on-site and off-site program sessions. For example, include a storytime at a farmer's market or a presentation to a school group about library resources conducted at a school.
- Live-streamed virtual (synchronous) program sessions that are sponsored or co-sponsored by the library.
- Program sessions with attendance of zero or one if they were intended for a group.

EXCLUDE

- Program sessions sponsored by other groups that use library facilities. For example, do not include a homeschooling group hosting a speaker in a meeting room without facilitation from library staff.
- Offsite outreach efforts that do not otherwise meet the definition of a program session. For example, do not include having a library card signup booth at a farmer's market.
- Activities delivered on a one-to-one basis, rather than to a group, such as one-to-one literacy tutoring, services to homebound, homework assistance, mentoring activities, etc.
- Passive or self-directed activities that do not occur at a scheduled time. For example, do not report "make and take" bags or coloring pages as a program. Report these self-directed activities on questions G51 to G59
- Recorded presentations of program content. Report these on questions G49 to G50.
- Programming that is shared on the library's website or social media that is not sponsored or co-sponsored by the library. For example, do not include sharing a video from an author's website of him or her reading a book.

Tips for reporting programs and attendance.

- When reporting the number of programs count the total number of events. A story time held once a week for a year is counted as 52, not as one.
- When reporting attendees count total number of attendees regardless of the age. A children's program attended by 10 children and 10 adults is counted as 20, not as 10.
- Live, virtual programs are conducted via a Web conferencing or webinar platform during which a library staff member (or other party sponsored by the library) is presenting to or interacting with an audience in real-time. These are considered programs for survey purposes and should be added into programming counts as indicated below.
- Recordings of program content include video or audio recordings created by a library staff person (or other party sponsored by the library) and posted to a video or audio hosting platform for the

audience to view or list to on-demand. Do not include promotional or marketing content.

Recordings of program content are counted separately from live programs as indicated below.

- If a program is hybrid (i.e., in-person and virtual) then report it as in-person. Do not double count.

Program Content Recordings

A program content recording is any recording of program content that cannot be viewed live as it unfolds (i.e., on-demand streaming). Only include program presentations posted during the reporting period. Regardless of the number of platforms on which a presentation is posted, count each unique presentation only once. Include program sessions hosted on Facebook Premiere that are not facilitated by a staff member.

The count of views of asynchronous program presentations for a period of THIRTY (30) days after the presentation was posted, even if that period extends beyond the survey reporting period (or fiscal year). For program presentations made available via Facebook, count unique 1-minute views of each video. For those made available via other platforms, count unique views of each video. For recorded program presentations that are recordings of live, virtual program sessions, exclude live attendance; live attendance should have already been counted on lines G06, G14, G22, G30, or G38.

Patron-Directed Activities

Below is a list of activities that are patron directed and sometimes known as passive, self-directed, or indirect programming. All answers are prefilled with 0. If you do not provide a listed service you can leave it as a 0. If you provide a service but are unsure of how many times it was used, answer with an estimate, or N/A. Otherwise provide the number of times each service is used ANNUALLY. Do not count the number of items created, only count the number of times a service is used. Do not include anything provided as a part of a library sponsored, in-person, program. These counts should be accounted for in the programming counts listed above. For example, do not count coloring sheets used as part of a live, in-person, program as an indirect activity.

Cedar Falls Public Library 3D PRINTER POLICY

The Cedar Falls Public Library provides a MakerBot Replicator+ 3D printer as part of the Collaborative Laboratory. Print jobs may be submitted by the public and will be printed by library staff. Software provided by the library is available for design use on a specified computer, and may be changed without advance notice. Other software products cannot be installed by patrons. ~~Patrons must have a signed Co-Lab User Agreement on file with the library in order to use the design computer.~~

*.stl files may be submitted via the library's website. 3D print jobs will be printed in an order determined by library staff; library staff take into consideration the print job size and color when determining this order, as well as estimated completion time. Print jobs must be completed when the library is staffed. Large print jobs may need to be divided into smaller jobs. Turnaround depends on demand; library staff will give patrons an estimate of turnaround after their print job has been approved for printing.

Staff members will also determine the feasibility of a print job. Print jobs may be denied if they cannot be completed while the library is staffed, if the printed design does not fit the size requirements of the printer, or if the printed content violates any of Cedar Falls Public Library's policies. Printing of materials under current copyright is illegal.

Cost of 3-D printing materials is listed on the 3-D Printing webpage.

Only filament supplied by the library can be used, and availability of colors may vary. Samples of these colors are available at the Second Floor Reference Desk ~~and on the 3-D printing page of the library's website.~~ The cost for printing will be added to the patron's library account, which will be collected at the first floor service desk before the patron can remove the item from the library. Print jobs not picked up within two weeks may be discarded and the cost will not be refunded.

Library staff will print .stl files as they are submitted and do not provide corrections or alterations. Print job failures not due to library or equipment malfunction are the responsibility of the patron ~~and the cost will be added to the patron's library account.~~

Adopted June 5, 2019; Revised October 5, 2022, ~~November 5, 2025~~

Cedar Falls Public Library ART COLLECTION POLICY

Works of art may be either purchased by or donated to the Library. Final responsibility for acceptance of a work of art resides with the Board of Library Trustees. The Library particularly collects art created by local artists, but may collect works outside that scope. The intent of this collection is to enhance the library's aesthetic environment.

Items given to the library will be presented to the Board of Trustees for final acceptance upon recommendation of the Art Committee. Items given to the Library for Board consideration which have not yet been accepted are not covered by the City's insurance policy and must be covered by the donor's personal insurance. If the Board decides not to accept an item, the owner will be notified as soon as possible and may reclaim the item within two weeks. After two weeks, the Library has the right to dispose of the work in the best interest of the library.

Items that are accepted by the Board are considered unconditional and outright gifts. These are to be displayed, accessed, housed, loaned, retained, reproduced, sold, donated to a public organization, or disposed in the best interest of the Library. Donors will be asked to read and sign a copy of the library's "Deed of Gift." Gifts to the Library may be deductible from taxable income in accordance with the provisions of the federal income tax rules, and in compliance with this law the appraisal is the responsibility of the donor.

Art created by library employees and their families will not be accepted for display or for the permanent collection. However, the Board reserves the right to commission or request works of art by any artist.

Works of art on display in the Library are not for sale.

The Board of Library Trustees will be responsible for any decisions regarding the removal of a work of art upon recommendation from the Art Committee. Any art withdrawn from the collection may be donated to an appropriate public organization or sold at public auction, or otherwise disposed of in the best interest of the Library. The proceeds from the sale of a work of art will go to the Cedar Falls Public Library's investment funds account and will be reserved to be used for future collection-related purposes such as to repair and/or conserve works in the collection or acquire additional works for the collection at the discretion of the Board of Library Trustees.

Cedar Falls Public Library COLLABORATIVE LABORATORY (CO-LAB) POLICY

Cedar Falls Public Library's Collaborative Laboratory (Co-Lab) is located on the second floor of the Library.

Registration

Cedar Falls Public Library patrons who are cardholders age 18 or older may use the Co-Lab during open lab hours (staffed by library personnel) and by reservation. Patron accounts must be in good standing in order to use the Co-Lab. Outside of open lab hours and library programs, minors may use the Co-Lab with a responsible adult (18 years old or older) who is a registered Co-Lab user with them at all times while using the Co-Lab. A completed Co-Lab User Agreement will be required prior to use of the Co-Lab equipment. In order to complete a User Agreement, a valid Cedar Falls Public Library card and valid photo identification must be presented to library staff.

During library programs staffed by library personnel, no user agreement is required, regardless of the patron's age.

A User Agreement form is attached at the end of this Policy.

General Use Policies

Use of the Co-Lab is subject to this policy, the User Agreement, and all other applicable library policies. Written policies are available at the reference desk and are also available on the Library's website. Failure to abide by all applicable policies, procedures, and staff direction will result in suspension or loss of Co-Lab use privileges.

All equipment available in the Co-Lab must remain in the Co-Lab. The Co-Lab computers and equipment located in and adjacent to the Co-Lab are intended for patrons utilizing the specialized Co-Lab software programs, and are designated as such. The library reserves the right to reassign patrons to other computers in the library if they are not utilizing the Co-Lab computers or equipment for their intended purpose.

Users of the Co-Lab agree to abide by any and all applicable copyright laws and licensing agreements. Furthermore, users agree not to use the Co-Lab in violation of any local, state, or federal ordinances, regulations, or laws.

Library staff will assist patrons using the Co-Lab to the extent that time, other duties, and patron demands will allow. Scheduled library events take priority over all other Co-Lab use.

The Co-Lab closes 30 minutes before the library closes. All work and clean-up in the Co-Lab must be completed no later than 30 minutes before the Library closes. Equipment, programs, projects, etc., cannot be left running or suspended while the Co-Lab is closed.

The library assumes no responsibility for patron projects, whether completed or not. Neither the Library Board, staff, nor the City of Cedar Falls will be responsible for the property of individuals or organizations using the Co-Lab, or take responsibility for storage of materials.

The library reserves the right to charge patrons for consumable items and supplies used in the Co-Lab. If such charges are paid in full, any project worked on by a patron becomes the property of the patron. If the library provides consumable items and supplies free of charge, any project worked on by a patron

becomes the property of the patron.

The Co-Lab may not be used for any commercial purpose.

The library reserves the right to prohibit or restrict the use of the Co-Lab by any person if such use would threaten the safety or welfare of Library patrons, guests, or staff.

Safety

Some of the equipment located in the Co-Lab may contain aspects, parts, or components that could cause injury to the user. Patrons should use common sense when operating all Co-Lab equipment and using all Co-Lab materials to prevent injury.

The library is not responsible for loss or damage to the person or property of individuals or organizations using the Co-Lab. Patrons assume the risk of any injury while using the Co-Lab and agree to release, indemnify and hold the library harmless from any claims for personal injury, property damage, or any other loss in connection with the use of the Co-Lab, including the equipment, tools, and materials located there. Users also agree to be responsible for any damage to the Co-Lab or Co-Lab equipment that they cause.

Food and Beverages

Covered beverages are allowed inside the Co-Lab. Food is allowed in the Co-Lab only with prior approval of library staff.

No organization, without the permission of the Library Director, may list the address of the Cedar Falls Public Library as its official address. Groups may not use the Cedar Falls Public Library name or logo in any way that implies Library endorsement or sponsorship of any non-sponsored activities.

Reservations

The Co-Lab is a space for Library sponsored or co-sponsored programs and conferences which meet the Library's civic, informational, educational, cultural, and recreational goals. When not in use for library activities, the Co-Lab is available to individuals and groups. Co-Lab reservations may not be made more than three (3) months in advance. The Library Board neither approves nor disapproves of content, topics, subject matter, or points-of-view of individuals or groups using the Co-Lab.

Co-Lab Reservation

In order to reserve the Co-Lab ~~outside of open lab hours~~ for the use of maker equipment, materials, and supplies, the reserving patron must be 18 years old or older and be a Cedar Falls Library cardholder. Groups reserving the Co-Lab are welcome to bring in their own tools, equipment, and supplies.

Reservations can be made any time library staff or registered Co-Lab users are not using the space. Use of the Co-Lab under reservation is subject to the Cedar Falls Public Library Collaborative Laboratory (Co-Lab) Policy.

Co-Lab Group Reservation (with Co-Lab equipment)

Any patron reserving the Co-Lab space and equipment for a group agrees to take responsibility for all members of the patron's group during the reserved time.

Cedar Falls Public Library
COLLABORATIVE LABORATORY (CO-LAB) POLICY

The reserving patron must complete a User Agreement prior to use of the Co-Lab unless a User Agreement is already on file with the library. Other members of the patron's group are not required to complete a User Agreement unless the reserving patron does not agree to take responsibility for all members of the patron's group.

How to Reserve the Co-Lab

Reservation forms to reserve the Co-Lab may be obtained and submitted at the reference desk on the second floor of the library, or via the Library's website. The reservation form requires the individual or group name, title of the program, any special equipment needed, the number of people expected, name and phone number of the patron responsible for the reservation, the exact times of arrival and departure, and whether or not the reserving patron has a completed Co-Lab User Agreement on file with the Library.

Reservation forms and the User Agreement are attached at the end of this policy.

Regulations

The Co-Lab is available for use from when the library opens to 30 minutes before it closes, and only when Library programming has not been scheduled. Users are responsible for their own set up and breakdown. Clean-up must be completed 30 minutes before the library closes. The Co-Lab must be returned to its original condition immediately after use. No personal belongings may be stored in the Co-Lab overnight. All individuals and groups must take reasonable precautions to avoid damage to equipment, furnishings, floor cover, and other library property. The Library reserves the right to require a damage deposit from groups. Groups should check in at the reference desk before setting up and notify the reference desk when leaving.

The Library reserves the right to refuse reservations. The library does not page or take telephone calls for groups or individuals in meetings at the Co-Lab.

Meeting Space Reservation

If the meeting room and conference room are already reserved, the Co-Lab may be offered as a meeting space at staff discretion, so long as the Meeting Room Policy is followed. The projector, laptop, and chairs/tables may be used in the Co-Lab for a meeting. Maker equipment, materials, and supplies may not be used. When used as a meeting space, Co-Lab reservations are subject to the limited number of reservations specified in the Meeting Room Policy. When used for maker activities, the limit on the number of reservations will not apply.

NOTE: The reserving party must complete an APPLICATION FOR USE OF LIBRARY MEETING ROOM (the meeting room application)

To the Cedar Falls Public Library Board,

I would like to respectfully request that the Library Board consider extending the number of times Boy Scout Troop 99 may meet at the Cedar Falls Public Library. Currently, the limit is set at 12 meetings per year, and the troop has already used 11 of those slots.

In recent months, the troop has been meeting in local parks when the weather allows, and at College Square Mall when it does not. However, this troop is a special-needs troop, created specifically to support children with disabilities, including autism. In the current political and social climate, it does not feel safe or appropriate for these children to meet in a public open space such as the mall.

During a recent meeting, as the troop recited their pledge—which includes the word “God”—a passerby made remarks. This incident underscored my concerns for the children’s safety and well-being in public venues in this political climate. Given these circumstances, I am asking that this particular troop be granted permission to extend their use of the Cedar Falls Library facility beyond the current annual limit.

Troop 99 typically holds two official meetings per month, along with additional activities that sometimes occur on other weekends. Their meetings typically take place on Sunday afternoons. With colder weather approaching, outdoor meetings in parks are no longer feasible.

As a grandparent of one of the scouts and a long-time member of the Cedar Falls community, I want to express my sincere appreciation for your consideration of this request. The troop leaders and parents are also deeply grateful for your time and support.

Thank you for your understanding and consideration.

Sincerely,

Sharon Hansen, Grandparent
