One day Fable woke up + She ~~Bang! Bang!~~
What was that? said Fable. She looked out of her cave
+ saw nothing. Then she slept all day! That night
she heard it again! ~~Bang! Bang!~~ She woke up in
the night, looked out + saw fireworks. That is why

she followed them around town + found a Carnival.

She rode on rides a few times. But she forgot she
had school. So she ~~rushed~~ home, got ready for school, + rushed
to school. Finally she got to school + the teacher
